## **Statement of intent**

At Tacolneston & Morley CE VA Primary Schools Federation, we believe that work experience is an important learning experience for young people. Work experience at our schools allows individuals to experience the social interaction, professional values, daily routines and general demands that typify a role in a school.

As well as benefitting the young person who undertakes work experience, at Tacolneston & Morley CE VA Primary Schools Federation, we believe that this opportunity can also benefit our pupils. Young people on work experience can bring enthusiasm, practical help and increased engagement to the classroom.

The benefits of work experience to both the young person and our school mean that Tacolneston & Morley CE VA Primary Schools Federation is committed to providing opportunities for work experience within the school wherever this is possible and practicable, and where this does not interfere with the quality of teaching and learning provided to our pupils.

This policy sets out the practices and procedures which will be followed when young people undertake work experience at Tacolneston & Morley CE VA Primary Schools Federation. This allows our schools to provide a safe environment and positive educational climate for pupils.

## **3. Safeguarding children and child protection**

3.1. The schools will have regard to the DfE statutory guidance, 'Keeping Children Safe in Education'. This states that a supervised volunteer (i.e. an individual carrying out supervised work experience) does not require a barred list check but should obtain an enhanced disclosure and barring service (DBS) check where they are over the age of 16. All young people undertaking work experience at our schools must be supervised at all times and made aware of our child protection policies.

## **4. Procedures**

### **a) Consideration stage**

4.1. Before a young person is accepted to undertake work experience, the following procedures must be completed:

- The young person must provide suitable documentation/references from their secondary school/education provider regarding their suitability for work experience.
- The teacher who will be supervising the young person must accept this responsibility after taking into account their upcoming lessons and tasks.
- The young person must meet with the headteacher and/or the teacher who will supervise their work experience so that the young person's suitability can be assessed. The headteacher has the power to either refuse or end a young person's work experience at any time.

### **b) After consent is given**

- A letter offering a work experience placement and outlining the dates and times this will occur.
  - Appropriate risk assessments.
  - Written information to assist the young person during their placement (i.e. a school map, timetable, staff handbook, etc.).
  - The visitor's badge the young person will be expected to wear.

**c) The first day**

- 4.3. On the first day of their work experience, the young person must sign-in at the office and then report to the headteacher.
- 4.4. The headteacher must ensure that the young person has read and understood the Federation Child Protection and Safeguarding Policy, as well as all relevant parts of the Staff Handbook. Pertinent points in the handbook should be raised and discussed as necessary.
- 4.5. The young person must sign a declaration that they have read and understood this policy.
- 4.6. The young person will then be escorted to the classroom where they will be completing their work experience.
- 4.7. The young person will also be escorted when moving around the school, for example, between classes and during breaks.
