Work together, learn together, grow together...

Governors Written Statement of Behaviour Principles

All policies at Tacolneston & Morley CE VA Primary Schools Federation should be taken as part of the overall strategy of the school and implemented within the context of our Safeguarding Policy and our vision, aims and values as Church of England Schools.

Agreed: Summer 2019

Head Teacher:

Governor:

Review: Summer 2021

Head Teacher: Mrs Laura Green

Chair of Governors: Mr Robert Culyer

The Education and Inspectors Act 2006 and DfE guidance (Behaviour in Schools, 2012) requires the Governors to make and frequently review, a written statement of general behaviour principles to guide the Head teacher in determining measures to promote good behaviour.

This is a statement of principles, not practice.

Practical applications of these principles are the responsibility of the Head teacher. The statement has been adopted by the Governing Body as a whole and is informed by our mission and value statements:

With the love of God, we will create a learning environment where high expectations and the teaching of Christian values ensure that everyone is cared for, valued, encouraged and able to achieve their full potential.

Work **together**; learn **together**; grow **together**

Our Ethos:

At the heart of our school are a set of core Christian Values based upon the teachings of Jesus. These underpin our whole ethos, curriculum and school life and aim to ensure our pupils leave The Tacolneston & Morley CE VA Primary Schools Federation as happy, secure, caring and responsible citizens. The values we promote are important within our school communities and are values which will be important throughout life. In all that we do, we strive to share, encourage and demonstrate positive values with our children; in order that they understand them and strive to live by them.

Our school rules are for the whole school community and embrace our values, these are set out in the Behaviour Policy.

We aspire to deliver the highest possible standards of education. For this to be effective, we know we must also create an environment where both our children and parents feel safe, nurtured and respected.

The Governors aspire to be sensitive to the needs of every child, reducing barriers to learning and making the curriculum accessible to every pupil. Our aim is to enrich the lives of all our pupils by pursuing an inclusive policy towards our pupils which celebrates diversity, understands the importance of common identity and reflects our Christian values.

We are a caring Christian community where everyone feels valued, safe and adopts an "I can" attitude. All we do is underpinned by our Christian values which means we celebrate individuality and achievements through mutual respect and high aspirations. We believe that each one of us has the ability to achieve our highest potential and dreams, through a journey of life-long learning.

The purpose of this statement is to give guidance to the Head teacher in drawing up the Behaviour Policy by stating the principles that the Governors expect to be followed.

The governors expect any policy or actions to be in accordance with their responsibility under equality legislation.

Behaviours Principles:

We believe that all members of our school communities should be able to learn and achieve in a safe, secure and purposeful environment. We value the development of strong, positive and appropriate relationships among all members of our school communities so that everyone feels welcome and included.

We have high expectations of everyone and we will actively promote equality whether this relates to race, gender, age, sexuality, religion or disability. The behaviour policy is based on our belief in, and respect for, the value and contribution of all members of our communities and their right to succeed. We seek to eliminate all forms of discrimination, harassment and bullying.

The policy will be applied with consistency and fairness, with regard to each individual situation. The emphasis will be on encouraging positive behaviour through high expectations; a focus on learning; appropriate praise and celebration of outcomes.

When children do not meet the expectations, either through consistent low level disruption or more severe incidences, we will always try to teach the child what is expected, without humiliation or in public view. At these points, we will enable the child to reflect on, and learn from, their behaviour and to make reparation wherever possible.

On occasions sanctions may be necessary to demonstrate that challenging behaviour is not acceptable; to provide boundaries and make our expectations clear. Sanctions should be known and understood by all staff and pupils and applied fairly, consistently, proportionally and reasonably. It is recognised that the use of rewards and sanctions must have regard to the individual situation and the individual student.

The Governors expect the Head teacher to use her discretion in the use of sanctions and to balance the needs of staff, children and parents when considering measures to manage unacceptable/challenging behaviour.

Some children may require additional support for behaviour where they have special needs and the Federation will seek to ensure that such pupils have their individual needs met. However, when making decisions, the Federation must balance the needs of the individual with those of the school community and where pupil behaviour places others at risk, the safety of the pupil body as a whole is paramount.

The Governing body support the Head Teacher's authority to consider exclusions, particularly those that are permanent, as the very last resort and expect pupils and parents to cooperate to maintain an orderly climate for learning.

Given the overriding need to keep children safe, the school will utilise its powers to search and to use reasonable force in order to keep individuals from harming, or further harming, themselves or others. All such difficult situations will be handled with utmost respect of all the individuals involved, including children, their families and staff.

The Governors wish to emphasise that violence, threatening behaviour or abuse by pupils or parents towards staff will not be tolerated. If a parent does not conduct himself/herself

properly, the school may ban them from the school premises and, if the parent continues to cause disturbance, he or she may be liable to prosecution. The Governors expect the Head Teacher to include guidance on the use of reasonable force, within the Behaviour Policy.

We will always work with parents and carers to understand their children and their circumstances and believe this relationship is an important part of building a strong learning community. Similarly, given our duty of care to the pupils, this written statement and the policies that both stem from it and are influenced by it (for example, appropriate contact, behaviour, anti-bullying and exclusions) applies to all pupils when in school, when travelling to and from school, and when engaged in extra-curricular activities such as educational trips and visits (residential and non-residential).
