Introduction

This plan sets out our school’s business continuity management and emergency response arrangements and helps us be prepared for, and recover from, unexpected disruptions.

Disruptions are part of everyday school life and most are dealt with as ‘business as usual.’ This plan set out how we will deal with the more serious incidents that affect our critical activities.

A Business Impact Assessment has been undertaken to identify our critical activities and the measures we have put in place to mitigate the effects of disruptions. See the table overleaf.

It is not possible, or desirable, to write a plan for every possible disruption. No matter what the *cause* of the incident, the *effect* can generally be summarised as:

- An inability to carry out daily and/or critical activities
- Loss of life or serious injury to school staff and students/pupils or members of the public
- Loss of building, or part of building or access to the building
- Adverse publicity and/or reputational impacts
- Loss of ICT
- Loss/shortage of staff
- Loss of critical supplier or partner

This plan will be activated in the event of a critical incident or an emergency i.e. when an incident occurs that impact on the delivery of our critical activities and when normal responses, procedures and coping strategies are deemed insufficient to deal with the effects.

The procedures and critical activities have been discussed and agreed by the school’s Senior Management Team.

The school’s critical activities, as detailed below, take priority for recovery following an incident because these activities, if not completed for any reason, would cause the greatest impact on the school community in the shortest time.

CRITICAL School Activity	Requirements Consider the resources required for the critical activities	When Required						Comments
		4 Hr s	24 Hr s	24 - 48 Hr s	1 W ee ks	2 W ee ks	1 m on th	
Safeguarding Children	Working within the guidelines of the school’s Safeguarding policy	✓						
Teaching	Alternative accommodation if required			✓				
Catering	Alternative catering unit if required or alternative provision from another school or catering provider	✓						Depending on incident the school could provide cold lunches, which would be appropriate for one week.
Access to ICT	Off-site server access			✓				Google and Google drive can be accessed externally. Other critical packages could be made available at local cluster schools.

Incident Management Structure

This section of the plan includes generic roles and responsibilities for staff during the initial response to an emergency, during the ongoing response and in the recovery phase. Unless the incident is minor, it will be impossible for the Headteacher (or their deputy) to implement all the actions required on behalf of the school.

A Senior Emergency Management Team (SEMT) will be established at the onset of an incident to assist the Headteacher in managing the response. Action Cards for each role are in Appendix 3.

- **If appropriate, dial 999 for the emergency services and provide them with an overview of the situation. If in doubt, dial 999.**

The emergency services notify each other of incidents but consider speaking directly to each organisation required. This will ensure that each service has the information they need to respond appropriately.

These contact details should only be used in an emergency. Do not give them to the media, pupils, parents / carers or members of the public.

- **Fetch grab bag.**
- **Log all communications and actions.**
- **Notify school staff. Consider assembling a School Emergency Management Team (SEMT) to assist with the response.**

Appendix 12 - Media Considerations

Our Media lead is [Kate Easter](#), Our Deputy Media lead and Spokesperson is [Robert Culyer](#)

The room designated for media briefings and press personnel is [The Headteacher's office](#)
Our alternate room is the [Library or Group Room](#)

General advice/before the NCC Communications representative arrives:

- No member of staff will talk to journalists alone. Rather, they will be accompanied by a colleague who can note what is said.
- Staff talking to the press will provide nothing more or less than the facts.
- Staff will provide a prepared statement rather than an interview.
- A later time to issue a further statement will be arranged and this will be honoured.
- Personal information will not be released.
- No blame will be apportioned.

Other than the Headteacher [and media lead/spokesperson](#) the rest of the Senior Incident Management Team will not be directly involved in media communications

In the event of a major incident the school will hold media briefings in cooperation with external agencies involved to keep the media updated. These briefings will be organised by the Incident Management Team and fronted by the school spokesperson.

Factual news releases may also be issued to support the process of informing members of the public with a direct interest in the incident.

Advice: The reason for the rest of the Incident Management team getting less involved with the media is to ensure that they have time and space to take an overall strategic view of the incident as a whole.

In general, it is useful for the spokesperson to already have a good understanding of the incident and experience dealing with the media. The spokesperson role should be his or her top priority for the duration of the incident. The deputy will also need to be briefed in case the lead is unavailable.

Appendix 13 - Sample Staff and Parent Briefing

Below is a sample staff and parent briefing statement, this should be amended to reflect the type of incident.

You will be aware of the recent incident that has affected our school. We are currently working closely with the Local Authority to ensure that disruption is kept to the minimum possible. However, as you will appreciate, it will be a while before we are back to normal. For the immediate future we have made the following arrangements, which will come into effect from *[INSERT DATE]*.

As from today we will be using *[INSERT LOCATION]* as the school office:

Please note that our contact numbers are:

[INSERT TELEPHONE NUMBER]

You will, no doubt, hear all sorts of information from various sources. Any information not provided by the school or the Local Authority must be treated with considerable caution. We will provide updated information as frequently as possible both via the board at the entrance to the school and a weekly update letter to every family.

Thank you for your support and understanding in what has been a difficult time for all of us.

Yours sincerely,

Headteacher
