- 4.2. Teachers and support staff will receive regular and ongoing training as part of their CPD.

5. Risk assessment process

- 5.1. Our risk assessment process is designed to manage risks when planning trips, while ensuring that learning opportunities are experienced to the fullest extent.
- 5.2. The process is as follows:
 - Identify the hazards
 - Decide who might be harmed and how
 - Evaluate the risks and decide on precautions
 - Record your findings and implement them
 - Review your assessment and update if necessary

6. Parental consent

- 6.1. Parental consent is not generally required for off-site activities that take place during school hours.
- 6.2. Written consent is required for:
 - Activities of an adventurous nature; swimming, walking along a road, close proximity to water.
 - Residential trips.
 - Trips outside of school hours.
- 6.3. Parents complete a consent form when their child begins school/moves from another school which gives consent for their child to be involved in activities, both on and off-site, that take place during school hours. Parents will be informed of activities by letter and will have the opportunity to withdraw their child from taking part.

7. Staffing ratios

- 7.1. There will be sufficient staff to cope in an emergency and generally. We take into consideration the needs of the individuals, children with Special Educational needs and the behaviours of the group, to ensure that any trip has sufficient staffing for any given situation or emergency.

8. Insurance and licensing

- 8.1. When planning activities of an adventurous nature in the UK, the EVC will check that the provider of the activity holds a current licence.
- 8.2. Insurance will be organised for every trip, no matter how short, to ensure adequate protection and medical cover.
- 8.3. Where a crime is committed against a member of the party, it will be reported to local police as soon as possible.

9. If things go wrong

- 9.1. In the case of accidents and injuries while on a school trip in the UK, the school's accident reporting process will begin, as detailed in the Health and Safety Policy.
 - The first point of contact within the UK should be the Head teacher who will contact the family of the injured person.
 - Pupils will be asked not to contact friends or parents in the UK until the family of the injured person can be contacted.
 - The insurer will be notified.
- 9.2. Written records of any incident will be kept.

- 9.3. Media enquiries will be referred to the Head teacher or, if they are not available, the Deputy Head teacher or the clerk to governors.
- 9.4. Teachers will use guidance as set out in the Critical Incident Policy, in particular the 'after a critical incident' section, to ensure the safety of pupils and staff should anything happen, e.g. a terrorist attack.
- 9.5. Teachers will be briefed on how to react and respond should an emergency situation occur, e.g. a terrorist attack.
- 9.6. Relevant risk assessments will be undertaken before the trip, including for points of interests, such as museum and hotel risk assessments. Where an establishment provides a risk assessment then we will use the one provided.
- 9.7. Pupils and teachers are informed of an evacuation plan before entering trip venues; this should include an agreed rendezvous point, to ensure everyone knows what to do in an emergency.

10. If someone goes missing

- 10.1. The school places pupil and staff safety as its top priority when participating in school trips, either domestically or abroad.
- 10.2. Before embarking on the trip, extensive risk assessments are undertaken in accordance with section four of this policy.
- 10.3. The trip organiser will communicate with the venues of the school trips to ensure the correct group sizes are planned for each setting.
- 10.4. When travelling with a pupil with special educational needs and disabilities (SEND), the trip leader will ensure an adult is with them at all times and the visit is adequately modified to suit the pupil's needs in accordance with section 11 of this policy.
- 10.5. Staff on the trip will be provided with a contact sheet for group leaders, in the event they are unable to locate their group.
- 10.6. All staff members will be required to carry mobile phones with them at all times.
- 10.7. Upon arriving at every venue the trip leader will identify a rendezvous point, where pupils and adults should go if they become separated from the rest of the group.
- 10.8. Regular head counts of all pupils and staff will take place sporadically throughout the day to ensure all persons are present at all times.
- 10.9. In the event someone goes missing whilst on a school trip the trip leader will ensure the safety of the remaining pupils and staff by taking a register to identify who is missing.

- The trip leader will immediately identify at least one adult to start looking for the person and another adult to contact them via phone, these people will look for the person until, where necessary, the police arrive.
- Where possible, the venue will be notified of the missing person to help ensure the person is found quickly.
- If the person cannot be contacted or located within 10 minutes, the local police should be contacted.
- If the police are called, the trip leader should contact the Head teacher, or other available person back at the school and inform them of what has happened.

10.10. If a member of the party has gone missing and is subsequently found, the trip leader will:

- Review the group sizes and staffing ratios to ensure no one becomes separated from their group.
- Review whether more registers should be conducted throughout the day.
- Assess which venues they attend to ensure they are suitable for the group.
- Make recommendations to the EVC to ensure similar incidents can be avoided in the future.

10.11. If the police, or another authority, are called to an incident where someone is missing, they will oversee locating the person and will advise on factors including, but not limited to, when to contact next of kin.

10.12. If the missing person cannot be found, the group will return to school; if this is not possible, e.g. when on a residential trip, the Head teacher and EVC will make arrangements to ensure the group's safety, e.g. by changing venues or cancelling visits.

11. Special educational needs and disabilities (SEND)

11.1. Where possible, activities and visits will be adapted to enable pupils with SEND to take part.

11.2. Where this is not possible, an alternative activity of equal educational value will be arranged for all pupils.

12. Finance

12.1. The school will act in accordance with the DfE's guidance document 'Charging for school activities' (2014) and, therefore, will only charge for trips which are classed as an 'optional extra'. This is education provided outside of school time which is not:

- Part of the national curriculum.
- Part of religious education.

- 12.2. Money for school trips will always be paid directly to the school. Under no circumstances should school trip money be processed through personal accounts.
- 12.3. All letters to parents regarding school trips will include a clause explaining what will happen in the event that the trip is cancelled or a pupil cancels their place on the trip.
- 12.4. In the event that the trip is cancelled due to unforeseeable circumstances, it is at the Head teacher's discretion as to whether a refund is given to parents. The Head teacher will consult the governing board on the matter, taking into account the cost to the school, including alternative provision costs.
- 12.5. In the event that a pupil cancels their place on a trip, it is at the Head teacher's discretion as to whether a refund is given to parents. The Head teacher will consult the governing board on the matter, taking into account the pupil's circumstances for cancelling their place, whether the school will be reimbursed for the pupil's place on the trip, and whether the space on the trip will be given to another pupil.
- 12.6. Tacolneston and Morley Primary School's federation will take a common sense approach to refunds and cancellations, ensuring that all pupils are treated equally.
- 12.7. Any charge made in respect of pupils will not exceed the actual cost of providing the trip, divided equally by the number of pupils participating.
- 12.8. Once trip arrangements are booked and confirmed, if contributions to a trip exceed the total cost of the trip, a refund will be given where the excess is greater than £5 per pupil.
- 12.9. Any excess of expenditure will be subsidised by the school fund.

13. Planning school trips

- 13.1. Prior to planning a school trip, the following guidance should be read by organisers:
 - The DfE's [Health and Safety: Advice on Legal Duties and Powers](#) (2014)
 - The HSE's [School Trips and Outdoor Learning Activities](#) (2011)

14. Monitoring and review

- 14.1. The effectiveness of this policy will be monitored continually by the Head teacher. Any necessary amendments may be made immediately.
- 14.2. The Governing body will review this policy biennially.
- 14.3. The scheduled review date for this policy is September 2020.
