

Work together, learn together, grow together...

Assessment Policy

All policies at Tacolneston & Morley CE VA Primary Schools Federation should be taken as part of the overall strategy of the school and implemented within the context of our Safeguarding Policy and our vision, aims and values as Church of England Schools.

Agreed: Autumn 2020

Governor:

Review: Autumn 2021

Assessment Policy

Head Teacher: Laura Green

Chair of Governors: Robert Culyer

Rationale:

Children's progress is closely monitored in our schools. Assessment lies at the heart of the process of promoting children's learning. All assessment activities aim to ensure that our children are able to make excellent progress in their learning whilst taking into account the needs of individual children.

The aims and objectives of assessment in our schools are:

- to enable our children to demonstrate what they know, understand and can do in their work;
- to allow teachers to plan work that accurately reflects the needs of each child;
- to help our children understand what they need to do next to improve their work;
- to provide regular information for parents that enables them to support their child's learning;
- to contribute towards accountability data;
- to allow us to benchmark our children's achievement against other schools to monitor our impact.

Assessment Process:

Foundation Stage Profile:

Teachers make summative judgements three times per year based upon information they gather from learning journals and small group and individual assessments. This information is based on three categories – beginning, developing or embedded within the appropriate 'Age and Stage' band for each individual child. Most reception age children are working within the 40-60 month stage. These judgements are kept on the Federation's internal tracking system (Pupil Asset). Assessments are shared at parent/carer consultation meetings.

At the end of the Early Years Foundation Stage, children are assessed in line with statutory requirements as 1, 2 or 3 (emerging, embedded or exceeding). This is recorded on our internal tracking system, however, where 'emerging' provides insufficient detail, we use the development matters statements (eg. 40-60 developing) to ensure accurate reflection of achievement and start point for KS1.

Year One Phonics Check:

All children in Year 1 participate in a phonics check. This assessment is administered by the Year 1 teacher. Results are included within the Year 1 end of term report. An internal phonics tracking system is used to monitor children's progress in phonics and to target provision.

Year Four Times Tables Check:

All children in Year 4 participate in an online times tables check. This assessment is administered by the Year 4 teacher. Results are included within the Year 4 end of term report. An internal times

Tacolneston & Morley CE VA Primary Schools Federation

tables tracking system is used to monitor children's progress in times tables knowledge and to target provision.

SATS:

Children in Year 2 and Year 6 are assessed during May. The results of these assessments are reported annually to the parents/carers. In addition, teachers across the school assess regularly and use this information to inform their planning and teaching.

Marking and Assessment:

We provide feedback to children through marking, as well as oral feedback, so that they have specific advice about how to improve their work. Children are given time to read and review their work following marking. Marking identifies where children have achieved the objective and will give guidance on how to further improve the work. Children, where suitable, self and peer assess and reflect on their learning. They use green pens to mark; make improvements and/or add to their work. Refer to our Marking Policy for more information.

Teachers assess using the assessment criteria on our internal tracking system. This provides them with evidence to inform their termly summative judgements.

Most assessment information is collected through observations, information in books, pupil self-assessment; class quizzes; guided group sessions etc.

To support teacher assessment and to measure impacts of initiatives we use standardised testing materials three times per year (NFER, PIRA and PUMA). These are not used to decide the teacher assessment nor are they reported to parents or children. They are used to provide a prompt for moderation and discussion between teachers. Refer to the Assessment Cycle at Appendix 1.

Assessment information is used to inform planning and to identify children who may need extra support. It contributes to Class Progress meetings/discussions and toward accountability data.

Standardisation/Moderation:

The process of moderation is an essential part of the assessment system. Teachers are involved in the moderation process to ensure agreement on criteria for assessment in the following ways:

- with colleagues in the Federation;
- with colleagues from other schools in the cluster;
- by attending Local Authority sessions to ensure our judgements are in line with other schools;
- by using exemplification materials

Parent/Carer Consultations:

Parent/carers consultation evenings take place in the autumn and spring terms.

Reports to Parents/Carers:

At the end of each year, parents/carers receive a full report detailing progress and achievements across the curriculum. The report is based on summative observations by the teachers.

Parents/carers are encouraged to provide feedback to the school.

Termly progress reports will be introduced in September 2019. These will report on the characteristics of effective learning and on achievement and progress in core subjects (see Appendix 2).

Tacolneston & Morley CE VA Primary Schools Federation

Inclusion:

Tacolneston & Morley Primary Schools are inclusive schools and we work hard to meet the needs of all of our children. Class teachers are responsible and accountable for the progress and development of all pupils in their class. High quality teaching is available to all children, including those with additional needs and additional support is deployed effectively. Where a child is not making the expected progress, the class teacher will work alongside the SENDCo, parents/carers and external agencies (where appropriate) to plan tailored support. We use Child Centred Plans, where appropriate, and these are reviewed regularly with the child and their parents/carers. Our SENDCo – Laura Ketley – is available to provide advice to staff and families. All children are encouraged to achieve their best and become confident individuals living fulfilling lives. Refer to the Cluster SEND Policy for further information.

This policy should be read in conjunction with:

- Learning and Teaching Policy
- Marking Policy
- Cluster SEND Policy

Appendix 1

ASSESSMENT CYCLE

MONTH	ASSESSMENT TASK
September	<ul style="list-style-type: none"> • EYFS Profile; Bury Infant Check; Baseline measures • Y1 to Y5 NFER/PUMA/PIRA Tests (Maths, Reading and GPS) • Y6 SAT Tests (Maths, Reading and GPS) • Check data for class on Pupil Asset • Set writing and times tables targets for pupils (if there is a discrepancy in targets set by previous teacher) • Weekly times tables and spellings tests (record in Homework Book) • Quizzes each topic lesson (record in Homework Book) • Topic quiz at end of topic (record in Homework Book)
October	<ul style="list-style-type: none"> • Maths and English Leaders to carry out QLA of statutory KS2 SATs • Weekly times tables and spellings tests (record in Homework Book) • Quizzes each topic lesson (record in Homework Book) • Topic quiz at end of topic (record in Homework Book) • End of topic written task • Whole School Mastermind Competition
November	<ul style="list-style-type: none"> • Phonics Tracking 1 • Class Progress Meeting with HT/DH • Weekly times tables and spellings tests (record in Homework Book) • Quizzes each topic lesson (record in Homework Book) • Topic quiz at end of topic (record in Homework Book)
December	<ul style="list-style-type: none"> • Writing Test 1 • Update Pupil Asset for all curriculum areas • Set writing and times tables targets for pupils • Termly Progress Report for Parents/Carers • Weekly times tables and spellings tests (record in Homework Book) • Quizzes each topic lesson (record in Homework Book) • Topic quiz at end of topic (record in Homework Book) • End of topic written task • Whole School Mastermind Competition
January	<ul style="list-style-type: none"> • Subject Leaders review pupil progress in their areas • Y1, Y3, Y4 and Y5 NFER/PUMA/PIRA Tests (Maths, Reading and GPS)

Appendix 2

Tacolneston & Morley CE VA Primary Schools Federation

Termly Progress Report

Child's Name: _____ Year Group: _____ Class Teacher: _____ Date: _____

Characteristics of Effective Learning:

		Not Yet	Occasionally	Frequently	Always
Engagement	Is keen to find out information explore ideas				
	Is willing to 'have a go'				
	Good peer interaction				
Motivation	Maintains focus and concentration				
	Perseveres				
	Shows desire to achieve a goal				
Creating and thinking critically	Solves problems				
	Thinks of their own ideas				
	Makes links and predictions				
	Reflects on their own learning				

Next Steps
